

# ICON Colors and Materials

## Wood Frame and Roof Decking Finish Options

A high-quality, richly pigmented stain and sealer that provides long-lasting beauty and wood protection.

## Standard Steel Roof Colors

Kynar 500 coated roof panels with 24-gauge Galvalume substrate. The underside of the roofing material is a standard white wash color.

## Powder Coat Colors

ICON carries over 19 powder coat colors to match any aesthetic. Our durable TGIC powder coat over a liquid epoxy primer on every steel member.

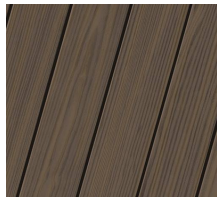

ICON's design inspired color and material choices create endless color combinations and possibilities. Our dedicated designers and engineers work with the best wood, steel and powder coat colors in the industry to bring your artistic dream to a reality.
